

Student login

- 1) Please make sure you are logging in via this link:

<https://game.asx.com.au/game/student/school/2014-2/login>

You will get this login page:

The screenshot shows a web browser window displaying the 'ASX SCHOOLS SHAREMARKET GAME' login page. The page has a blue header with the title in white. Below the header is a white login box. Inside the box, the text 'Student login' is at the top. Below it is a message: 'Sign in with your Syndicate Login ID as well as your password. If you don't know them, please see your teacher who can provide these details to you.' There are two input fields: 'Login ID:' and 'Password:'. At the bottom right of the login box is an orange 'Login' button. The background of the page is a light blue gradient with some abstract shapes.

- 2) When you login, you need to use your Login ID – this is a number, it is not your syndicate name. And password.

(Teacher note: You can find all student Login ID's and passwords on the Manage syndicates page.)

- 3) Once you have entered your Login ID and password, you need to click on the Login button.

If you get an error message, try entering in your details again – if you can copy and paste your Login ID and password this always helps.

If you are still having problems and your password was a generated one, ask your teacher to change it to one you can easily remember (but not too easy for others to guess).

Teacher note: To change a password, go to Manage Syndicates, select Edit and this will take you to the page where you can edit the student password and save.

If you worked through all of the above and are still having issues please email us at school.smg@asx.com.au.
