To register or login go to the new portal and select login.

### ➤ If you are a previous MyASX user

If you have previously signed up to MyASX, you can log in to the new portal using the **same email address and password** you used for MyASX. However, you will be asked to reset your password when you log in for the first time.

### ➤ If you are a new user, you will need to click the 'Join Now' button (see below) and sign up.

Once signed up you will receive an email to activate your registration. If you cannot find it please check your spam box.
