

1. Rankings are updated overnight from Monday to Saturday.
2. The Rankings page lets you compare your performance against other Game players.
3. You can view the Overall ranking (1) which is the top 100 nationally. You can also select the dropdown list to view State, New Zealand and International rankings.
4. On this page you can also see your own ranking (2). Under My stats you can see your Overall ranking, your location ranking as well as your portfolio value and other statistics.
5. You can also view a summary of the top players' performance. All you need to do is click on the Player name (3) in the rankings table to see information on how that portfolio is performing.

Rankings
Rankings are updated each morning from Monday to Saturday. Last ranking update: Wednesday 15 Nov
